

Texico Conference *of Seventh-day Adventists*

September 23, 2019

Dear Adventurer Director:

Welcome to our new year of Adventurers with Texico Conference. This year I'm sure is going to be a good one for all! We have many activities and trainings planned as you can see on the calendar.

Enclosed are the registration forms you can mail back, e-mail to Barbara at breeve@texico.org or fax her at 505-244-1811. The PO Box address and FAX are at the bottom of this page. It is necessary to register your club by September 30, 2019* for full credit (every year the club needs to register), and a *Certificate of Operations* will be sent to you. Please be sure we have the name, address, email and phone number/s of the director so he or she can be contacted when we have news to share.

We also need to have each adult leader or helper register with "Sterling Volunteers" (it was formerly called Verified Volunteers) and do their background check at ncsrisk.org/adventist.

Along with this letter are the monthly reports that need to be sent every month before the 10th to get full credit. Also note that reports that are not received by the last day of the month that the report is due will have the points reduced by 50%. Example: February report is due by March 10th. If we receive it after March 31st, we will only give 50% of the points to your club for that report.

If you would like to have training for your local club, check with the Area Coordinator for each area about training this year. Plan for your leaders to attend.

Thank you for all you do for our young people. God Bless You!

In Christ,

Derral W. Reeve
